

Quiet Storms

An online boutique operated from Brooklyn. Conceptualized together with STUDIO AH-HA

Quiet Storms is a Williamsburg-based online boutique featuring a new wave of emerging jewelry designers from around the world. It champions designers with an artful and unique point of view who possess a commitment to beauty. Quiet Storms' highly curated selection showcases pieces that are elegant and modern with a strong emphasis on metals sculpted into soft curves and bold lines that speak to complex femininity. The brand's identity developed by Lisbon-based Studio AH-HA, plays with storm-inspired textures and timeless typography to represent a singular, inspiring experience.
