

# WHERE THERE'S A G, THERE'S A WAY

*Very few people can truly claim to have seen the entire world, and Gunther Holtorf is one of them. The former aviator has been awarded his place in record-breaking history for his quarter century on the road, covering more than twice the distance between the Earth and the Moon. His Mercedes Benz G-Class, or Otto, as he is known, has become a star among cars in his own right.*
