

01

- 01 Andrew and Melissa Moddrell on the balcony of their East Tower unit
- 02 Street view of the distinctive towers
- 03 The concrete supporting structure means residents can play with their floor plans

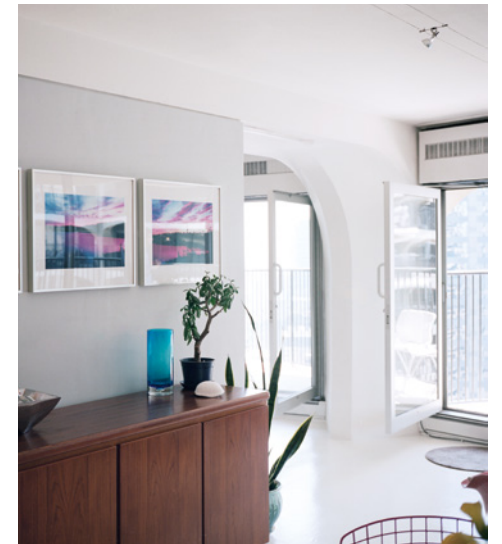

Preface:
Standing out against a backdrop of square tower blocks on the Chicago River, the white 'Corncobs' of Bertrand Goldberg's distinctive Marina City buildings house a population that cherishes its community spirit.

LIFE IN THE ROUND
