

A vibrant, stylized illustration of a deep-sea environment. The background is a gradient of blue, with white diamond-shaped sparkles scattered throughout. In the upper left, three yellow fish-like shapes with arrowheads point left. In the upper right, several small pink fish swim. The central focus is a fox wearing a black diving suit, a yellow oxygen tank, and yellow fins, swimming horizontally towards the right. The fox's head is turned slightly towards the viewer. Below the fox, a large, colorful coral reef structure is visible, featuring purple, yellow, and red elements. To the right of the fox, a large, dark blue rock formation with a white light reflecting off its surface is shown. In the lower right, several orange fish swim. The overall style is flat and modern, with a rich color palette of blues, yellows, pinks, and purples.
