Weather is everywhere!	04		
Look up at the sky	06		
Hooray for summer!	08		
The highs and lows of weather	14		
Like fireworks but better!	16		
Currents put the motion in the ocean!	18		
Fall brings the wind	20		
Boom, crack! A thunderstorm!	22		
Through the fog	26		
		Winter is here.	28
		Look out for the snow!	
		Temperatures are rising	36
		Spring is a season of showers	38
		Will it be sunny tomorrow?	46
		So, whatever the weather, it affects us all!	52
		Glossary	54
