

How to Find the Right Venue

An indispensable guide to choosing your own dream venue

The possibilities are simply endless when choosing a location for your wedding; a rooftop terrace, ski slope, or a backyard are just a few examples. Remember that your location doesn't have to impress anyone; it's just you who needs to be happy with it. And most of all, your guests want to see you relaxed and content. You can't go wrong with proper preparation, your own checklist, and useful tips from French wedding planner Camille de Luca.

Above You don't have to fly halfway around the world to find dream settings. But you could!
