

With *Jump Through Time*, Waone transports the viewer to a world of surreal images, providing a brief escape from the hectic nature of daily life. The 26-by-40 foot (8-by-12 meter) mural was created in 2018 in Mannheim, Germany.

*Transcendental Moment* adorns the exterior of the Octavian Goga school in Cluj-Napoca, Romania. The work embodies the creative power derived from knowledge, transforming it into a visual delight for all to behold. Next page: *Spark of Life*, acrylic painting on linen canvas, 2015.
