

This is **Shiro**, **Sun**'s very best friend.

Shiro means “white” in Japanese. **Shiro** loves to run around in the woods. Whenever she gets lost, **Sun** is able to find her by looking out for the white tip of her brown tail.

Shiro used to be a stray dog who had no home.

One day, she was drawn to the wonderful smell coming from the **Wonder** family's kitchen.

The next day, and the next (and the next!), she came back at dinnertime. In fact, she kept coming back until she was invited to join the family for good.
