

**LAMOSCA**  
 MAPA DE LA LITERATURA CATALANA

◆ Lamosca created this large-scale map for an exhibition about Catalan literature at the INSTITUCIÓ DE LES LLETRES CATALANES. It is a map of a fictional city where streets are named after famous authors, public buildings are named after literary grants and prizes, and well-known publishing houses are represented by transportation networks.

➤ FICTIONAL CITY, 2012, FOR INSTITUCIÓ DE LES LLETRES CATALANES
