

A stylized illustration of a blue whale entangled in a large, light blue fishing net. The whale is on the left, looking towards the right. A fox, dressed as a diver in a black wetsuit with yellow stripes and yellow fins, is on the right, holding a camera up to take a picture. The background is a deep blue ocean with a diver and various pieces of trash (a plastic bottle, a can, a piece of paper) caught in the net above. The scene is set against a dark blue background with horizontal bands of lighter blue.

It's Whale returning from squid hunting.
"You're in a bit of trouble there, my
friend," says Fox. "Let me help you."

Fox has to use all his strength to lift off the gigantic fishing net that is hampering Whale, and in doing so he empties out all the rubbish that has got caught up in it. And, between two empty food cans and a plastic bottle, Fox miraculously finds his camera.
